## ANSWERS TO PRAYER

- We thank the Lord for **Grandma Ellis' visit from Texas!** We had such a good time (see photos)! She was a big help to us and Judah especially loved going outside with her.
- The **prayer meeting with the local church in Warren** was encouraging! They had good ideas about some other churches we could contact. Also, one of the couples on the missions committee is planning to go to Nantes this summer, a city in Western France that our team is considering for us to start churches.
- Blaine visited the **home school class** today and discussed missions and our vision for France with the 7th graders - seniors. It was a blessing! These kids are learning what it means to be involved through prayer and financial support of missions.

## PLEASE PRAY FOR...

- Prayer meetings with staff and church members of our **local church partnerships** to pray about our partnership and to seek the Lord together as we continue along in support discovery. These prayer meetings may mean weekend travel, so we want to schedule trips wisely. So far...

1) June 1-meeting with the church in St. Helens

- 2) July-meeting with the church in Stanfield
- 3) August-meeting with the church in Jefferson

- June 22- We'll be updating **our home church** here in St. Helens on support discovery and our goals for getting to France by the end of this year.

- We'd like to **broaden our contacts with individuals and small groups** to see if any might be interested in partnering with us. We need wisdom and creativity in this process.
