Prayer Requests

- Pray for Miki's understanding and growth in the Christian life. We've been going through the Gospel of Mark with Miki to help her get to know Jesus, but we also need wisdom in knowing what sequence to present the many topics possible—in line with what will energize her according to her learning style! She's interested in an overview of the entire Bible to understand how it all fits together—which is a good challenge for us amidst our Mark study! As we've been going through Holy Week events in Mark, we've been pulling in Old Testament events—the Exodus, Passover, Jesus as the Perfect Sacrificial Lamb (with Ten Plagues of Egypt a necessary part of that whole story), etc., but going forward, we want to keep our focus on daily life in today's society and in Christian community, and not get overly focused on "head knowledge" versus heart application.
- Pray for more face-to-face connections with KT this year. KT and her two adult children (ST and KA) live together in a city about an hour and a half away. Earlier this year we got together after an over 20 year gap of not seeing each other. KT seems open spiritually.
- Pray that we might have wise marriage advice for HK. She is going through serious marriage conflict. Although she attended church with us as a child, any commitment she may have made has not been a part of her adult life.
- Pray that Barbara can be a wise support for HF, who is struggling both with parenting issues and marriage issues.
- Pray that KS will have ears to hear our dating advice. She's made a commitment to Christ, but is a baby in her faith. She's dating a non-Christian, and her high moral standards are intact so far, but the pool of marriageable Christian men is small in Japan, and many Japanese Christian women choose to marry a non-Christian rather than not marry at all.
- Pray that Gary will find a reason for, and solution to, the occasional intestinal gas issues he has experienced during the past couple of years. Months can go by with no problems, and then one morning he wakes up with intestinal pain. Usually, he's over it in half a day with a lot of burping to get the trapped gas out, but he hasn't identified a specific thing he's eaten that causes it. Recently it seemed to be a certain brand of ice cream on two occasions in the course of a week.
- Pray for opportunities to use what we're learning in the "3 circles gospel presentation" Japanese class we're taking. We're excited about being able to use some of the new phrases we've been learning in the class to share the gospel naturally during the course of a conversation.

LIFT UP THE WORD - LIGHT UP THE WORLD

For you are my lamp, O Lord, and my God lightens my darkness.
For by You I can run against a troop, and by my God I can leap over a wall.
This God—his way is perfect; the word of the Lord proves true:
He is a shield for all those who take refuge in Him.
