

FAQ

Wonder Junction - 2025

- **Do I walk my child in to the Church Building?**
 - All children will be dropped off at the front of the parking lot after receiving their check-in tags. They will then be escorted to the main building.
 - If your child needs you to come in, or you are new (have not registered) please park your car in the parking lot that is close to the HWY and come in. You will then be directed on where to go.
- **What if I need to pick my child up early?**
 - Please contact the Church Office at 503-397-4387 we will then direct you on where to pick your child up. Please have matching tag ready.
- **What do I send/dress my child with on water day?**
 - A towel (in a bag)
 - They can wear a swim suit with a shirt/shorts over their suit.
 - Our water slide is big and fast, wearing clothes that they can get wet in (no jeans) is ideal. Please **no Jewelry/Watches (earrings)** as that gets lost and it tears up the slide. Wear sandals. They have limited time to change so quick drying clothes is ideal.
 - FRIDAY- we might let the kids get wet so dress according.
- **What if I lose my matching tag when it's time to pick up my child?**
 - You will need to have your driver's license (ID) ready to be checked prior to your child being released.
 - We have **3 points** of checking your tag.
 - Entering the Worship Center
 - At pickup with teacher in their crew
 - Leaving the Worship Center doors.
- **What if I need to have another person pick up my child?**
 - Whoever is picking up your child must have the matching code for pick up. You can send them the code as a picture form. They must present that at pick up
 - You can email the church Rachel@wcf-ministries.com or Shelby@wcf-ministries.com to inform us of this change.
